

Packages & Pricing

Thanks for taking a look at our services. Please note the following information provides a general package overview. Each package may be customized for the client, if needed.

Detailed training plans will be created after an in-home consultation, according to the client's goals and needs.

What You'll Need...

Proper training equipment (recommended by trainer)

2-4 different types of high value treats

A hungry dog (avoid feeding dog before training lessons)
